RUBY & ROAN INTERNATIONAL ONLINE AUCTION

TO BE HELD AT

WORLD SHORTHORN CONGRESS CONFERENCE DINNER

THURSDAY 3RD OCTOBER 2019 8.00 PM

SHORTHORN SB® BEEF

RUBY & ROAN
INTERNATIONAL ONLINE AUCTION

Shorthorn Beef will conduct the Ruby and Roan International Online Auction during the 2019 World Shorthorn Conference, to be conducted at 8.00 pm, Thursday 3rd October. Location will be Charles Sturt University Convention Centre.

SALE CATALOGUES
An electronic sale catalogue will be released and distributed both nationally and internationally, no later than September 12th, 2019. Hard copies will be available at the 2019 World Shorthorn Congress Conference.

SALE ADVERTISING
The sale will be advertised through all Shorthorn Beef channels as well as listed on the Shorthorn Beef website no later than September 12th, 2019. The sale will also be advertised on Beef Central, AuctionsPlus and through international channels.

INTERNATIONAL ENQUIRIES
International vendors are encouraged to submit suitable entries. It is a requirement of all entries that any known limitation to the export status to any country regarding any lot be included in the notes of each lot.
It is further encouraged that each vendor lists any known current export qualification regarding each lot in the sale notes for each lot.

CATALOGUE PHOTOS
Vendors are required to supply, at their expense, a high quality photo of each lot, or in the case of embryo lots a photo of the donor dam. Video is also preferred to be supplied wherever possible.

SUMMARY OF FEES
Entry fees are payable upon receipt of invoice and non refundable once entry is accepted and catalogues by Shorthorn Beef. All prices are inclusive of GST. Shorthorn Beef will invoice you for the lots accepted. Only active members of a relevant Shorthorn Breed Society or Association may be eligible to enter lots in the 2019 Ruby and Roan Sale. Each vendor warrants that the relevant lot/s, or progeny generated from the relevant lots are registerable in the highest level of their country of origins Shorthorn Breed Society or Association Herdbook.

CONDITIONS OF SALE

Vendors agree to the following terms and conditions;

- Vendors must be active members of a relevant Shorthorn Breed Society or Association and all live lots, donors must be fully registered with the relevant Shorthorn Breed Society or Association in their country of origin.
- Vendors guarantee that the relevant lot/s, or progeny generated from the relevant lots are registerable in the highest level of their country of origins Shorthorn Breed Society or Association Herdbook
- All live lots to consist of one animal only, excepting calves at foot.
- Embryo packages must comprise of no less than 4 A Grade embryos with embryo lots to be sold on a per embryo basis. A flush sheet copy must be provided prior to the sale and will be issued to the successful purchaser.
- Embryo packages must list their suitability for export and to each relevant country they are eligible to be exported too.
- Right to Flush lots must guarantee a minimum of 4 “freezable” A or B Grade embryos. The vendor agrees to reimburse the purchaser at a rate of 25% of the purchase price for each suitable embryo below 4 that are harvested.
- Purchaser to pay all flush costs and provide semen for insemination for all Right to Flush lots unless previously stated in the catalogue sale lot notes for the relevant lot.
- All Sires and Donor Dams must have a suitable 50K DNA sample submitted and must be Parent Verified to the sire by DNA prior to commencement of the Auction to be eligible for sale. Any lots that do not meet these criteria will be withdrawn prior to Auction.
- All freight and delivery costs will be the sole responsibility of the purchaser.
- All ownership transfer costs will be the sole responsibility of the vendor.
- The sale will be a live sequential auction interfaced with AuctionsPlus under ALPA Livestock Auction Terms and Conditions of Sale.
- Fertility and Soundness Guarantees are required. All live lots are to be independently evaluated pre-sale by a qualified veterinarian, who must deem that all live lots are structurally sound, quiet and fertile, including a pregnancy testing certificate supplied for live female lots. Veterinarian certificates must be lodged by the vendor with Shorthorn Beef prior to the auction commencing and may not have been issued more than 2 months prior.
- Joining details must be supplied for all pregnant lots.
- Any medications administered to live lots in the past 3 months must be nominated by the vendor to the selling agent prior to sale.

- It is a condition of this sale that the Vendor warrants that all female lots sold as unjoined are capable of achieving pregnancy to natural service within 12 months of sale. In the event that a female lot proves incapable of achieving pregnancy to natural service within 12 months of the sale, the Vendor agrees that the Vendor shall refund to the purchaser the purchase price paid, (not including any costs or expense of the purchaser), upon the Purchaser providing to the Vendor within 12 months of the sale date:-

  1. A report from a licensed veterinarian certifying that in his or her opinion:

  a) There is no evidence that the female has suffered any injury or illness subsequent to being sold to the Purchaser which could have affected her breeding ability &

  b) That there is no evidence of the female having been subjected to any Embryo Transfer procedure since the sale date.

  2. The Purchaser must provide a Statutory Declaration to the Vendor warranting that in the opinion of the Purchaser the facts stated in the Veterinarian report are true and correct.
- Vendors must disclose any live female lots that have been enrolled in Embryo Transfer programs prior to sale within the sale lot notes.
- High quality photograph/s must be supplied to the Shorthorn Beef office no later than Friday August 30 th, 2019. Vendors are encouraged to submit a high resolution file containing their stud logo to be used for cataloging purposes.
- Entry fees for each accepted lot will be due and payable upon receipt of invoice from SB. No refund of entry fees will be issued once lots have been accepted and catalogued by SB.
- An extended colour catalogue in electronic format will be available to vendors to distribute for their marketing purposes. Electronic copies will be available on the SB website, AuctionsPlus website and will also be distributed by Shorthorn Beef.
- Ownership and risk will pass to the purchaser on the fall of hammer. Purchasers are encouraged to insure their purchases.
- SB will charge commission at a rate of 9% and SB to cover settlement costs, with a 4% rebate paid to the relevant Breed Association on all lots whose primary registration is other than Shorthorn Beef.
- The Vendor and any vendors agents or representatives, by participation in this sale, agree to indemnify The Shorthorn Society of Australia, its employees, agents, members and office bearers from any liability or responsibility in respect to any act, matter or thing, done or omited by The Shorthorn Society of Australia, its employees, agents, members and office bearers, whether deliberate, accidental or negligent, in regard to any loss or damage to property or person or any economic loss whatsoever.

Entries will close Friday August 30th 2019.
