The name of this class has now changed to the Lambell MacKinnon Trophy to honour the memory of two great men, Bill Lambell and Ken MacKinnon and their involvement in both the Shorthorn Breed and the National Shorthorn Show & Sale.
- Additional Entry Fee of \$100 per entry is payable for entry in to this class.
- Please indicate on front page of the entry form should you wish to enter.
- You do not need to nominate which 3 bulls you will enter in this class beforehand.
- A perpetual trophy along with a smaller trophy for the winner have been kindly donated by the Lambell and MacKinnon Families.
- Cash Jackpot prize money will be split 2/3 to the winner, 2/3 of remaining 1/3 for 2<sup>nd</sup> place and remainder for 3<sup>rd</sup> place.

The John Horne Memorial Trophy was introduced in 2015 and is awarded to the vendor of the Highest Priced Bull sold at Auction.

#### **JOHN ARMSTRONG TROPHY**

Will be awarded to the most Successful Exhibitor in the show ring. The trophy is in recognition of John’s outstanding 50 years continuous service to the Committee.

#### **SALE ORDER OF BULLS FOR CATALOGUES**

The Catalogue will be divided into two (2) age groups ie Combined Divisions 1 & 2 and Combined Divisions 3 & 4. These two groups will alternate yearly to start the catalogue. Within each group the two Agents (current position) will have their run, thus giving 4 unbroken sections within the catalogue.

**In 2020 Divisions 1 & 2 will be sold first followed by divisions 3 & 4. However, the bulls will be sold Oldest to Youngest in Both Divisions 1 & 2 and Divisions 3 & 4.**

The Agents position or order will be determined by drawing out of a hat, after the closing date of entries. To determine the catalogue position within each group the following points apply.

- The vendor's oldest bull will determine the position.
- Where a vendor has up to 4 bulls, they will be catalogued together (in the order the vendor chooses).
- If a vendor has 5 bulls, the oldest would determine the position, but the vendor would nominate which bulls to catalogue with him, up to a maximum of 4 in a row. The oldest of the remaining bulls would determine the position for them in that catalogue section.
- Where there is more than one bull with the same DOB then alphabetical order of vendor will separate them.
- Any vendor who has a run of bulls drawn in Lot 1 to Lot 10 in the catalogue has the right to elect to sell one bull (the oldest) only. That vendor's next position will be determined by his/her next oldest bull. Note: this only applies to the first catalogue group.
- The exhibitors/vendors of the Grand Champion Bull has the right to sell him at the front of their respective catalogue sections and bring his team with him.

#### **CATALOGUE**

- Cut off date for inclusion in the April Breedplan run and inclusion of those figures in the catalogue is 10 April.
- Actual Traits Observed will be indicated underneath the Breedplan boxes in the catalogue. No boxes will be shaded.
- Written comments on each lot will be reduced to a limit of 3 printed lines in the catalogue and must not be included as this is a condition of entry. Comments must no include the likes of Fully Vaccinated or Semen Tested as these are conditions of entry.
- For the Female entries, vendor's may submit photographs of the exhibit's sire and dam to be printed in the catalogue – to be provided to Debbie O'Connor by Wednesday 22 April 2020.
- Vendors may use QR Codes on their lots in the catalogue to direct enquiries to further information.

Cheques for payment of entry fees must accompany entries. Cheques will be banked upon receipt and a Tax Invoice and Health Certificates sent back to vendors. Should you have any questions concerning the above please contact Ian Lambell or myself on the above numbers.

Kind regards

DEBBIE O'CONNOR
